

# Heaven's Kitchen

New Hospitality Ministry

Beginning sometime after Easter Holy Trinity would like to begin serving Wednesday evening dinners.

Do you enjoy cooking for other people? Are you an empty nester who misses cooking for a crowd? Have you ever had a secret desire to be on a TV cooking show but don't know where to begin? Welcome to "Heaven's" Kitchen. . This could be your start and we could use your help!!!!

Our goal is to serve dinners for the parish every Wednesday night. We are going to start small and grow. The plan is to eventually have 4 teams of 15 people each to take one week a month. We are currently looking for 15 folks who perhaps aren't involved in much, to purchase, cook, set up, serve and clean up once a month.

Please prayerfully consider this new opportunity to serve the community here at Holy Trinity. For more information, please call Mary Ann Cox at 770-487-0175 X 403.
