

PHILOSOPHY

Holy Trinity Mother's Morning Out program strives to provide the children entrusted to us a loving, safe environment where toddlers can begin to form friendships and learn through a variety of art, music, movement and game activities.

CURRICULUM

The Mother's Morning Out Program is designed to be an enriching learning experience. Thematic units are carefully planned, sensitive to the level of a child's development (using Bright from the Start GELDS). These units include activities in Catholic religion, fine motor skills, art, music and movement. The Mother's Morning Out Program includes playtime on our playground or multi-purpose room. Finally, our curriculum is designed to prepare children to be successful in a preschool environment while maintaining a loving, caring and playful atmosphere.
